VALLEY TRAILS

Trails that contain a minimal amount of elevation changes. These trails stay close to Park facilities, and are therefore easier to access. Best conditions are typically spring through fall, with wildflowers and other unique flora abundant in the summer. Often wet in the winter months.

Trails	Length
BALLFIELDS LOOP	0.6 MI
BEACHAM	3.5 MI
FOSTER (HIKING ONLY)	0.6 MI
FULLER (HIKING ONLY)	1.1 MI
HYDE HOLLOW	0.7 MI
LEATHERWOOD TRAIL	0.5 MI
MINER'S ROCK CONNECTOR	0.1 MI
MULLADAY HOLLOW	2.1 MI

RIDGELINE TRAILS

Trails that contain moderate to strenuous amounts of climbing, and take users to lesser traveled areas of the park. Awards await for those that take the road less traveled in the form of numerous bluff lines, vistas, and unique geologic formations. Best conditions are typically fall through spring when seasonal colors are at their peak, and vistas are most visible.
